

Celebrating Susie Brokaw August 27 2022

12-6 pm Rain or Shine

RSVP to karlaandcrew@yahoo.com

Come to a Celebration of Life for our Susie Brokaw who passed in March. Her "first husband," as she would introduce Terry, wants you to know how much she loved life and cherished her family and friends. Come to the home they built expecting to live out their days together, **20273 M 60, Three Rivers, MI.49093.**

They had agreed before her passing that this celebration time is instead of a service in March. Terry is grieving, of course, and is healing. He asked his committee of three to plan this time together. He's making his way forward through boxes and "stuff" that had been set aside while taking care of Susie's needs. He thanks everyone for their cards, thoughts, and prayers. If you wish to be part of a memorial, we thought a group gift for the yard around where the tree is planted in memory of their son Jamie would be nice. If this speaks to your heart, please send funds and suggestions. Send to Ann Barry, 3721 Veralta Dr, Cedar Falls, IA 50613 by August 6.

We three are honoring her legacy and Terry's wishes: Karla (caregiver and housekeeper for Terry), **Roxanne** (who has known Susie forever, helping to carry on Susie's Shaklee business), and **Ann** (friend from Iowa first met through Shaklee and as Susie would say, "My Shaklee Mom.") **Will you please come and be part of the memory-making, laughter for sure as Susie wouldn't have it any other way, food, fellowship, fun, and yes... tears. Drop in, or come and stay for awhile. Bring your lawn chairs, blankets and most of all your love.**

Join on Zoom at 2 pm EST for memory time if unable to be in person.

Please see back as we think Susie would want to speak to you about Shaklee.

Susie also loved flags, eagles, lavender color, and making time for fun!

We invite you to come, hang out with us, Saturday, August 27, 12—6, Rain or shine.

If you remember, please throw in your lawn chairs. We hope for the shine, but even with rain, as you may know or have guessed Terry has a hangar and a big garage.

Save the date! Come! We're looking forward to seeing everyone there.

Memorials collected for a group Yardscape accepted until August 6.

More details on the first page.

You can honor Susie's legacy and vision by making time to be in touch. Her passion in Shaklee can be honored by your attention to your health. Her love of community would make for a heck of a party on the 27th!! Come and at the very least join us at 2 pm EST on zoom. Terry is getting back to feeling more like-himself and you are important to him. He says, "Thanks!"
